

I WOULD LIKE TO COMMENT ON THE PROPOSED RULEMAKING REGARDING ON ELECTRONIC ON BOARD RECORDERS. I FEEL THAT ANY REQUIREMENT BY FMCSA THAT ALL TRUCKS BE EQUIPPED WITH EBORS WOULD BE A FINANCIAL HARDSHIP ON ANY TRUCKING COMPANY REGARDLESS OF SIZE. GIVEN THE CURRENT ECONOMIC STATE OF TRUCKING (FUEL COST, INSURANCE COST, DRIVER SHORTAGES, ETC) THIS IS AN UNNECESSARY FINANACIAL BURDEN FOR ANY TRUCKING COMPANY. THANK YOU.
